Get Funded

Tap into our network and reach out to your own. Over 75% of teachers are fully funded.

Receive the Goods

We order everything you requested and ship it straight to your school. Hello, packages!

Ms. Kaminski in New York

Spent the night at the Museum of Natural History

"The students were able to sleep over at the museum under the giant whale in the ocean life room. They were also able to hold starfish, see spiders, and explore the museum by flashlight."

Mr. Dinkel in Kansas

Received Legos

"From the very first day, when students excitedly opened the large cardboard boxes during our class meeting revealing the Lego sets, to the lessons connecting important math concepts with the popular toy, student engagement has been present."
