

PowerSchool Parent Access

★ Here are step by step directions for you to set up a PowerSchool account and how to recover your username or password.

Creating a PowerSchool Account

1. Get the Access ID and password for each student you want to associate with your parent account.
 - a. If you do not have this information contact Joann Schlosser at jschlosser@mv.org.
 - b. You will need to create an account for each of your children.
2. Go to the district website, mv.org.
3. Hold the pointer over the Parents tab and then click on PowerSchool Parent Access.
4. Click the **Create Account** tab
5. Click **Create Account**.
6. Enter the information needed to create your account. The email address you enter is used to send [email notifications](#), including account recovery notices and account changes confirmations.
7. For each of your students, enter the **Access ID** and **Access Password** provided by your school and your relationship to the student.
8. Click **Enter**.
9. Check your email for a verification message and click the link within the email to sign in to your PowerSchool account within 24 hours of receiving the message. If the link has expired, you can request a new link be emailed to you.
10. Enter your **Username** and **Password**.
11. Click **Sign In**.

Recover Your Username/Password

Use this procedure to recover your current username. Once you provide your email address, your current user name will be sent to your email.

1. Open your Web browser to your school's PowerSchool Student and Parent portal URL.
2. Click **Forgot Username or Password?**
3. Click **Forgot Username/Password**
4. Enter your email address.
5. Click **Enter**. An email is sent to you with your current username.
