Sean D. Haines
Acting Superintendent of Schools

February 24, 2022

Dear Morrisville School Community,

I write you today to announce that Mrs. Lynn Palumbo, Principal of Grandview Elementary and Morrisville Intermediate Schools, is retiring from the School District of Borough of Morrisville at the end of this month, on February 28, 2022, after seventeen years of service in our District. I would like to express my sincere gratitude to Mrs. Palumbo for the compassion, creativity, dedication, energy, leadership, and warmth that she poured into our students, staff, and families throughout her career as an educator and leader across our school community. Grandview Elementary School, Morrisville Intermediate School, Morrisville Middle/Senior High School, and the School District of Borough of Morrisville are better places to teach, learn, and grow because of Mrs. Palumbo. We will miss Mrs. Palumbo dearly. However, I am very happy for Mrs. Palumbo and her family and wish her much happiness in retirement and many successes in future endeavors.

Ms. Julieann Cappuccino will continue to serve as Acting Elementary/Intermediate Principal to lead our K-5 school community as we move forward with reshaping our Administrative Team in support of student achievement and district success.

Please join me in congratulating Mrs. Palumbo on her retirement!

Kind regards,

Sean D. Haines
Acting Superintendent of Schools
