Dear Morrisville School Community,

I hope this letter finds you in high spirits, having enjoyed a fun-filled yet restful summer and overflowing with eagerness in anticipation of the start of the 2023-2024 school year! As we launch a new school year, I want to extend a warm welcome back to our students, staff, and school community.

This summer, our staff has been bustling getting ready for the new school year, preparing buildings and classrooms, revising schedules, updating programming, and collaborating across the District on our goal of continuous improvement in support of our students. As our students and families return to school, you will see familiar faces in new spaces as well as new faces in a variety of spaces as we have welcomed several new members to our Morrisville team. A focus of ours this year is continuous improvement in support of student outcomes and opportunities, and we are excited to begin this year's journey with all of you.

Please check our District website, www.mv.org, for our most recent back-to-school information and regular updates. Additionally, I wanted to highlight this year's Back to School Night information below, as these evenings are tremendous opportunities to meet your child(ren)'s teachers and learn about programming.
