March 6, 2022

Dear Morrisville School Community,

We have been made aware of a social media post that references a potential threat of school violence on Monday in response to a physical altercation in our Middle/Senior High School this past Friday afternoon. Our administration has communicated with the Morrisville Borough Police Department regarding the incident and subsequent social media post and is collaborating to address all involved parties appropriately. As a result of this concern and out of an abundance of caution, we will have an increased police presence on our school campuses tomorrow. Additionally, our school security team will continue to monitor our buildings and work with local law enforcement to ensure the safety of our students, staff, and community.

Our district treats any threat of violence very seriously and works with our community partners to deal with it accordingly. As we work together to keep our schools safe, we continue to encourage our school community to report any information that is a school safety concern to local law enforcement, school administration, or through the Safe2Say Something reporting tool. If it is an emergency matter, please call 9-1-1.

As always, thank you for your partnership and continued support in keeping our school community safe.

Sincerely,

*Sean D. Haines*
