Dear Morrisville Middle/Senior High School Community:

Information regarding a potential school threat was brought to our attention on Tuesday June 4th, 2019. The School District of Borough of Morrisville immediately informed the Morrisville Borough Police Department and have worked with them to investigate the potential threat. As a result of this process, there has been no credible information to support the alleged threat.

It is our hope that this situation has not caused your family undue stress or concern. The safety of our students and community is of utmost importance to our district, and we are appreciative of the communication between our families and school personnel in ensuring it remains a priority.

If any of our students would like to talk with our school counselors, they are aware and available to provide support. In addition, our students and school community may also utilize the Safe2Say Something program to communicate concerns.

We appreciate your continued patience and support, please do not hesitate to contact us with any questions or concerns.

Thank you,

Sean D. Haines
Principal
