Sean D. Haines
Superintendent of Schools

Dear Morrisville School Community,

I am writing to inform you that I am resigning as the Superintendent of the School District of Borough of Morrisville, effective Monday, February 19, 2024. This was an incredibly difficult decision to make, one that was made with and for my family. I am honored to have served as your Superintendent and am genuinely grateful for the time I have spent here in Morrisville. The people that I have been able to work next to, the community that I have had the privilege to serve, the Board of Directors that I have been fortunate to collaborate with, and most importantly, the students that I have been lucky to see grow over the years, have had such a positive impact on my life. In my nearly twenty years in Morrisville, I've coached, taught, cooperated, and led in various positions and have had the pleasure of working with two generations of Morrisville students.

The School District of Borough of Morrisville is a wonderful organization comprised of even better people. The experiences and connections made during my time here have afforded me the chance to grow personally and professionally, and I thank the entire community for the last nineteen years. I also want to thank the School Board of Directors for their dedication, leadership, and support and for allowing me to work alongside them in leading a fantastic school district. I appreciate each and every Board member's effort in serving the Morrisville Community, and I wish everyone continued success.

Over the next few months, I will remain dedicated to Morrisville and will continue to serve the District, collaborate with the Board, and support our school community in all areas and will provide any assistance needed to the future Administration.

I wish everyone a healthy and happy Thanksgiving, and go Bulldogs!

Respectfully,

Sean D. Haines
