*** Please do not send pencil sharpeners to school ***

Everything should be labeled with your child's name; however, please remember some of these supplies will be shared within the classroom.

Beginning with the first day of school, a time will be set aside for a small snack. Please provide your child with a nutritious snack each day during the school year.

In order that we have an accurate view of your child's knowledge of basic skills, we will be assessing the following areas during the first several days of school in September:

Recognition of all upper and lower case letters, consonant sounds, numbers 0-12, and kindergarten vocabulary.

Let's work together to make this a positive journey.

Sincerely,

First Grade Teachers
