

## A vibrant collage of school-related items. At the top center is a red school building with a clock tower and the word 'SCHOOL' on its facade. Below it is a green chalkboard with the text 'BACK TO SCHOOL' in white. To the left of the chalkboard is a yellow school bus. To the right is a globe on a stand and a red microscope. Above the chalkboard are two open books, a green ruler, a yellow calculator, and a red apple. To the right of the chalkboard are two flasks with purple and blue liquids, a pair of red scissors, and a pencil case with various colored pencils and pens. A paint palette with various colors is at the bottom right.

We are excited to meet the incoming fourth graders. In order for them to be fully prepared for school, we are sending a supply list. Your student will have all the necessary supplies to approach the school year confidently.
